EXPERIENCE

Senior Website Developer
Safe Software SDN.BHD - Kuala Lumpur
January 2024 - Now
During my Senior Website Developer , I still working on the new project of the company with my colleague. I learned how to teamwork with them and discuss how to make my suggestion to them.

Junior Website Developer
Safe Software SDN.BHD - Kuala Lumpur
January 2022 - January 2024

During my Junior Website Developer Career, I participate a SMS Blasting and Receive SMS System with my colleague. After that , I developed fews whole system of the website included Back Office , User Interface , Backend API for Back Office and User Interface. I learned how to start a new project by myself.

InternShip
ITO Software SDN.BHD - Kuala Lumpur
October 2021 - January 2022

During my internship, I try to develop company website by using React.js , SQL , C#, .net languages.
